This is a request under the Freedom of Information Act (5 U.S.C. § 552). I request that a copy of the following documents be provided to me: copies of any document the U.S. Environmental Protection Agency (EPA) may have regarding how the EPA determined the boundaries of the current Phoenix Planning Area (or "Group I") for particulate matter with an aerometric diameter of a nominal 10 micron or less (PM₁₀), as stated in the PM₁₀ Group I and Group II Areas, 52 Fed. Reg. 29383-29384 (August 7, 1987), and Preparation, Adoption, and Submittal of State Implementation Plans; Corrections to PM-10 Areas of Concern, 55 Fed. Reg. 45799, 45799 (October 31, 1990).

In order to help you determine my status for the purpose of assessing fees, you should know that I am a legal representative for the Gila River Indian Community ("Community"), a tribal government, and am seeking information for non-commercial use.

I am seeking any and all information that can be obtained at no cost to the Community. If you estimate that there will be fees involved, please inform me first. I also include a telephone number at which I can be contacted if necessary to discuss any aspect of my request.

Sincerely,

Naomi Bebo, Assistant General Counsel
